

# MAMMON

The background of the poster is a dramatic, dark sky filled with swirling, colorful clouds in shades of orange, red, and blue. A massive, bright yellow and white lightning bolt strikes down from the center of the sky, illuminating the scene. In the foreground, the silhouettes of a man and a woman stand with their backs to the viewer, looking out over a city skyline at night. The city lights are reflected in the water in the foreground. The overall mood is ominous and intense.
